

Brooklyn Prospect 2021 Summer Enrichment for Rising 11th Graders

Dear Rising 11th Graders,

This summer, we hope that you engage in some rejuvenating and relaxing recreational activities. The summer is also a time when you should be exercising your brain like a muscle to prepare for the upcoming year. The following academic enrichment activities are designed to allow you to remain engaged and learning throughout the summer. These enrichment activities are highly encouraged and you will gain insight into some of the things you'll learn this fall while practicing the skills and knowledge you acquired in the past year. This is an opportunity to gain further enrichment on the topics and themes of your 11th grade courses that will help you throughout the school year. Please carefully review the requirements for the various courses and do not hesitate to contact Ms. Gallagher if you have any questions.

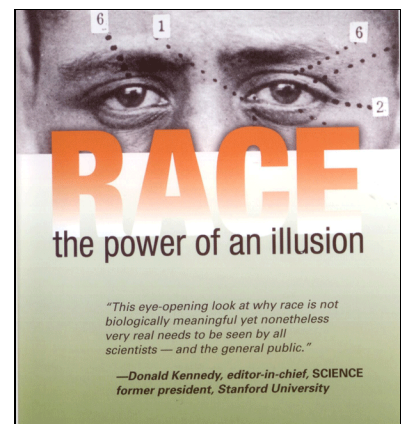

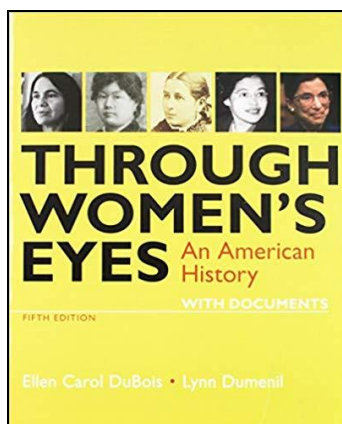

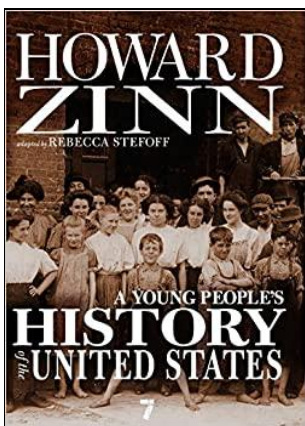

If you are enrolled in any of the following courses, you will need to complete the summer work requirements listed within this guide:

- History of the Americas HL
- Language & Literature HL
- Mandarin
- Spanish HL Year 1
- Spanish SL Year 1
- Spanish Ab Initio Year 1

Happy Summer & Happy Reading!

THE THINGS THEY CARRIED

By Tim O'Brien

The Things They Carried is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. It depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.
