

Brooklyn Prospect 2023 Summer Enrichment for Rising 10th Graders

Dear Rising 10th Graders,

This summer, we hope that you engage in some engaging and interesting learning tasks. The summer is also a time when you should be exercising your brain like a muscle to prepare for the upcoming year. The following required academic activities are designed to allow you to remain engaged and learning throughout the summer. This is an opportunity to gain further enrichment on the topics and themes of your 10th-grade courses that will help you throughout the school year. If you have any questions, please feel free to reach out to your new teachers!

For Global History II, your summer enrichment will give you a sneak peek at our first two units of study, **Unit 1: The Industrial Revolution** and **Unit 2: Imperialism**, and begin our inquiry into the link between these two historical developments. Additionally, completion of the summer work will give you a head start on an Achievement project we will undertake later in the fall. **Global History II is due on September 7, 2023.** Students will read *The Poet X* by Elizabeth Acevedo for the Literary Genres Assignment. **Literary Genres is due September 15, 2023 via Google Classroom.**
