

OVERVIEW OF SUMMER 2021 ENRICHMENT FOR BPCS HIGH SCHOOL STUDENTS

This summer, we hope that you engage in some rejuvenating and relaxing recreational activities. The summer is also a time when you should be exercising your brain like a muscle to prepare for the upcoming year. The following academic enrichment activities are designed to allow you to remain engaged and learning throughout the summer. These enrichment activities are highly encouraged and you will gain insight into some of the things you'll learn this fall while practicing the skills and knowledge you acquired in the past year. Not sure what classes you are taking?

All 9th and 10th graders take the same English and Humanities course, so please complete the general 9/10 enrichment assignments for all students.

If you are in 11th or 12th grade, we will provide a spreadsheet to view your course requests (by searching with your student number) later in the summer. All 11th and 12th graders take IB LANGUAGE & LITERATURE HL.
